Our Website

<https://www.agri-food-vietnam.com/>

The screenshot shows the website's header with the logo for 'gic AHK' (Delegation der Deutschen Wirtschaft in Vietnam) and the title 'VIETNAM COMPETENCE CENTRE FOR THE GERMAN AGRICULTURAL AND FOOD INDUSTRY'. A navigation menu includes 'Home', 'Market Vietnam', 'Import laws & customs', 'Exhibitions & Events', 'Relevant contacts', 'About us', and 'Newsletter'. A search bar and a language selector (EN) are also visible. The main content area features a large image of a woman holding a cabbage, with a text box stating it is funded by the 'Bundesministerium für Ernährung und Landwirtschaft' (German Federal Ministry of Food and Agriculture) based on a decision of the German Bundestag. Below this is a green banner with the text: 'The Competence Centre for the German Agricultural and Food Industry aims to support German companies with market entry and expansion in Vietnam. More on the project and the service portfolio [here](#).' The 'Updates' section at the bottom displays several event banners, including one for 'agricultural network for trade fairs and events - powered by AGRITECHNICA' and another for 'VIETNAM CULINARY CHALLENGE'.
